

Journeying Together

Unlocking the potential of the
building for the future

Pledge Sunday, 17th October 2010
(incorporated as part of the AGM)

With your help over the next 12 months, the project of transforming the church into a thriving community centre with redeveloped worship and meeting space can succeed. Every pound raised will be valued and will take us one step closer to reaching our target of £500,000. To make our vision a reality we need you to get involved. The support of everyone in the congregation in the myriad of different ways, will be a tremendous help to making the project a success.

You can make a big difference!

Please complete and return this form with the offering on Pledge Sunday, 17th October 2010.

Firstly and most importantly, please **pray** for the project – the partnerships being formed, the money to be raised, the work to be done and the people who will be using and working in the building.

Secondly, the money that the church and community raises will exert influence when making grant and trust applications so we invite you to **support the fundraising efforts** however you are able. There will be community events and if you can attend or perhaps bake a cake or contribute a raffle prize that will be valuable support. Or perhaps you might buy your Christmas cards from the church this year?

Thirdly, if you are able, please consider doing some fundraising yourself. Perhaps holding a tea party for some neighbours, washing the cars in your street, hosting a quiz in your local pub, running the Edinburgh 2011 10k race or **putting one of your own ideas into action**, anything you can do to cast the net far and wide will be valued.

This leaflet invites you to pledge your support to the fundraising campaign in any way you can. Please do what you are able and remember, ANYTHING you can do (big or small) will make all the difference. When you have decided on the support you can give please take a few moments to fill in the details below - we hope this will be useful in your planning and also enables us to support you in any way that would be useful.

I will pray for the St Martin's Project
